

Person-Centered Planning: Be the Change You Wish to See in Your World

Kelly Eifert, Ph.D.

Project Manager, SCDHHS

Cassidy M. Evans, J.D.

Senior Consultant, SCDHHS

March 11, 2016

Presentation Agenda

- Introductions
- Person-centered planning
- HCBS Rule – What is required
- Comments and Questions

Definitions of Person-centered

Video: <https://www.youtube.com/watch?v=tvANuym5VXY>

“One of the functions of the PCP process is to help the person and the support team to develop *innovative and non-traditional ways* to meet the goals in the plan. The goals *must not be restricted* due to a lack of easily identified services or supports.”
(emphasis added)

USDHHS. (June 2014). *Guidance to HHS Agencies for Implementing Principles of Section 2402(a) of the Affordable Care Act: Standards for Person-Centered Planning and Self-Direction in Home and Community-Based Services Programs*. (4) Retrieved from:

HCBS Rule

- What is required for person-centered planning?
 - The individual is a part of their service plan development
 - The process includes people chosen by the individual
 - Good information is available for the individual to lead the process and make informed choices
 - The process offers choices for services and supports for the individual
 - The plan is in plain language and accessible to the individual
 - The plan is based on the individual's needs and preferences

[42 CFR 441.301\(c\)\(1-3\)](#)

Person-centered planning

- Individual at the Center
- Support System
- Informed Choice
- Convenient
- Understandable

- Not cookie-cutter
- Holistic
- Strengths & Preferences
- Goals & Outcomes
- Support Needs
